MEMORANDUM FOR: MR. []

SUBJECT: : Conference with Mr. Leddy

Mr. Leddy commented as follows on subjects discussed with him this morning:

1) The tour of the two-man team to Latin American republics by the Guatemalan Government is a very good idea. Mr. Frank Oram, USIA, should be alerted on this by the Agency, probably through Mr. []

2) Regarding "Communists still in Guatemalan Government positions, or important Communist still free," names should be given to Washington. State has not as yet decided what the policy will be regarding an addendum to the "grey book". It has not been determined whether an addendum of some consequence will be issued, or whether follow-ups will be published from time to time.

3) As for the exploitation of Guatemalan documents through films, commentaries, etc., Mr. Leddy thought this a good idea and was of the opinion that this probably should be done by the Agency.
